courtney@nacmnet.org

October 15, 2026

Dear NACM Members

While NACM has been holding the line on its membership rate over the last several years, costs have continued to climb. Accordingly, the NACM Board has made the decision to change the annual NACM membership rate from $150.00 to $175.00, effective January 1, 2027.

Beyond responding to increased costs, this modest increase also reflects the additional services, resources, and benefits being added to your membership to support your professional development, strengthen our connections, and enhance your experience as part of the NACM community. We hope you are enjoying the new member portal (launched during the summer) and soon we will have a new learning management system up and running to support our CORE® trainings. We are excited about the new opportunities and innovations on the horizon! Updates about these new services, initiatives, and membership benefits will be shared on the NACM website and across NACM's social media platforms, so be sure to stay connected and follow along as we continue to grow together.

Here's a great opportunity to save! If your membership renewal is coming up, we encourage you to renew and pay your annual dues before January 1, 2027, to take advantage of the current $150.00 rate before the new rate takes effect.

We are grateful to have you as part of the NACM family! Your involvement, dedication, and passion for court management help make our community stronger. Thank you for being part of our journey as we continue to expand our offerings, create new opportunities, and build an even brighter future for NACM. If you have any questions, please contact nacm@ncsc.org.

Let's stay connected to all the exciting things ahead!

With appreciation and excitement,

The NACM Membership Committee
National Association for Court Management
